Your picture in the paper this week?" I told him that Joe Pascoe had referred me to him and he was pleased. Di Ruenzo knew that I was living here and that Joe Pascoe had helped me move in. Di Ruenzo assured me that he would prepare a nice floral arrangement for Charlotte and send it over on Saturday. I went to City Hall and talked with Jane Evans in the tax office and I waited for Vince Pelotta & RGT. Jane Evans looked very red and ill to me today -- usually she looks so well and today she looked not well at all. Vince & RGT arrived and we went up and did a trial on the windows -- it's a good thing that we did because there are two different sizes of Romanesque windows on the 3rd floor of City Hall. The 3rd floor is going to look wonderful when the arched windows are re-installed. I had to get the 1 PM bus to Scranton and so I left the 3rd floor at 12:45 PM -- RGT and Pelotta were still there. I got the bus in front of Mister Donut at 1 PM -- arrived in Scranton at about 2 PM -- fare \$1.10. Walked around a bit and then went up to the Chinese store near the Marty station -- bought some Kikkoman salt reduced (7.8% & not 14.6%) soy sauce; also bought some Dang Myun, which is made of starch of potato, sweet potato and water. The Dang Myun are wonderful -- they are transparent potato noodles. When I returned from Scranton at 6 PM I immediately prepared some of the noodles (place in boiling water and let sit for 10 minutes) & put soy sauce on them -- excellent. From the Oriental store I went to a pizza store near City Hall and had a genoa salami "grinder" and coffee. At 3 PM I arrived at the Civil Service office on the 3rd floor of City Hall, where John Hart and his secretary were seated. No ^{other} Area Chairmen for the Steamtown raffle / fundraising Committee were there, or arrived shortly after 3 PM.
